

GCA and CSGC Announce Strategic Partnership

2 August 2018

GCA Professional Services Group (“GCA”) is pleased to announce that it has entered into a strategic partnership with CSG Consultancy (“CSGC”), in an effort to strengthen its growth in the Greater China region and countries along the Belt and Road routes.

As leading professional services provider in their respective fields, this partnership would yield significant synergies and further enhance GCA’s and CSGC’s market leadership by leveraging each other’s resources. Major initiatives of the partnership include the following three areas:

1. Forming joint teams to offer one-stop, end-to-end professional services to clients, including capital market advisory, market research, brand enhancement, business valuation, organization transformation and human capital advisory;
2. Developing a global talent acquisition team to address clients’ needs in recruitment, development and succession covering frontline staff to top-level executives; and
3. Introducing global corporate services business with a focus on assisting overseas companies to set up and grow their business in China.

“Today’s strategic partnership announcement with CSGC is another solid step in our journey to deepen our client relationship by offering world-class human capital and business consulting solutions,” said K.K. Ip, Chairman of GCA.

Peter Yip, Chairman and CEO of CSGC, adds, “The relationship with GCA represents a powerful opportunity for CSGC to significantly expand our clientele outside Hong Kong. We are excited to partner with GCA as we focus our combined energies serving a broader range of customers with additional best-in-class solutions in the areas of asset valuation and management, corporate services, capital market transaction and mineral & energy consulting services.”

About GCA Professional Services Group (GCA)

GCA Professional Services Group (GCA) is a leading financial services provider with headquarters in Hong Kong and regional or alliance offices in Beijing, Shanghai, Chongqing, Harbin, Taipei, Cairns, Dubai, Kuala Lumpur, Singapore, Moscow, London and Tokyo.
