

RICS Hong Kong Annual Dinner 2013

The Royal Institution of Chartered Surveyors (RICS) is an independent professional body that has been committed to setting and upholding the highest standards of excellence and integrity in land, property and construction. RICS Hong Kong aims to serve the local members and to raise the profile of the surveying profession.

Greater China Appraisal, one of the subsidiary companies of GCA Professional Services Group (GCA), is a regulated firm by RICS. GCA has maintained close relationship with RICS Hong Kong. Mr. Gary Man, the Director of Greater China Appraisal, is also an elected member of RICS Hong Kong Board.

On 14th March 2013, GCA was honoured to sponsor RICS Hong Kong Annual Dinner 2013 held at JW Marriott Hotel Hong Kong. In addition to GCA's support, the sponsorship from distinguished local authority and international organisations, such as Urban Renewal Authority, Construction Industry Council and Wheelock Properties (Hong Kong) Limited contributed to the great success of the night.

The presentation of the second RICS Hong Kong Property Awards during the dinner recognised the contribution and outstanding performance of these industry players to the property industry in Hong Kong. It was a precious evening not only for the members and participants but also for those awards nominees and winners.
