

RICS Hong Kong Annual Dinner 2012

The Royal Institution of Chartered Surveyors (RICS) Hong Kong Branch started to operate in the late 20s. RICS Hong Kong aims to serve the local members and to raise the profile of the chartered surveying profession.

Greater China Appraisal, one of the subsidiary companies of GCA Professional Services Group (GCA), is a regulated firm by RICS. GCA has maintained close relationship with RICS Hong Kong. Mr. Gary Man, the Managing Director of Greater China Asset Services, is also an elected member of RICS Hong Kong Board. GCA was honored to sponsor RICS Hong Kong Annual Dinner 2012 held on 9 March 2012 at JW Marriott Hotel Hong Kong. In addition to GCA's support, the sponsorship from distinguished local authority and international organisations, such as Urban Renewal Authority, Hongkong Land Limited and Deloitte Touche Tohmatsu Limited contributed to the great success of the night.

The presentation of the first RICS Hong Kong Property Awards during the dinner recognised the contribution of these industry players to the property industry in Hong Kong. It was a precious evening not only for the members and participants but also for those awards nominees and winners. The atmosphere in the ballroom was heightened by all the performances that RICS has prepared. All of the participants were having a great time to meet friends with a delightful dinner and glass of wine.
