

Greater China Appraisal and RuLin Appraisal Announce Strategic Collaboration

30 November 2018

Greater China Appraisal Limited is delighted to announce its strategic collaboration with RuLin Appraisal Firm for enhancing valuation capabilities by leveraging each other's resources.

Greater China Appraisal is a leading financial services provider with headquarters in Hong Kong offering business and asset valuation, financial risk management as well as business consulting services. Greater China Appraisal is well recognised and qualified by professional bodies. It is a corporate member of The International Valuation Standards Council, a regulated firm under The Royal Institution of Chartered Surveyors and a Valuation Institute for Engagement by State-owned Enterprises under State-owned Assets Supervision and Administration Commission of the State Council.

RuLin Appraisal is one of the very first batch of mining right valuation firms established in China. It offers mining right valuation, asset valuation, land valuation, investment consulting in mining companies and mining rights software development and other services. Its business covers 25 provinces in China and overseas regions.

With this strategic collaboration, Greater China Appraisal will be able to provide more diversified valuation services to clients.
